

UNIT PHONE SCHEDULES

602-455-5700

- Please note that Patients follow a daily schedule and all incoming calls will only be transferred during these times.
- We protect our patient’s confidentiality by issuing them a unique 4-digit code at admission. The way this number is distributed for the patient is completely up to the patient/parent/guardian or POA. Without this number, we will neither confirm nor deny that they are a patient at our facility.
